

Dear Rizwana,

[The Seed of Life Provides Hope & Feed Hunger](#) by The Seed of Life Foundation has just posted a report about the impact of your donation. You gave \$30.00 to this project a year ago. Here's the unedited update from the field:

Education is Empowerment

By Rizwana - ED

Being able to connect with nature promotes local agriculture, offers a range of entrepreneurial opportunities, and allows each member of the community to positively impact the progress of their own communities.

In order to provide these children with nutritional food, we are currently collaborating with numerous neighborhood schools to implement local agriculture and tree planting within the educational facilities.

Come along on this journey with us!
